To: Horizons Regional Council
Private Bag 11 025

IMPORTANT NOTES FOR THE CONSENT HOLDERS AND TRANSFEREES

If the Resource Consent is held by a number of parties, written approval from all of the parties who jointly hold the consent is required. A transfer is not complete until the all Consent Holders (if more than one person) have signed this transfer notice. Until such time as the transfer is complete, the existing Consent Holder(s) remain fully responsible for all conditions and obligations of the Consent, including payment of all due charges.

Most Resource Consents attract annual charges. As previously advised to the original holder of this Resource Consent, Regional Council staff will continue to monitor your compliance with the consent conditions. This may involve site visits by staff which will be charged in accordance with our cost recovery Policy. Annual charges for the cost of research associated with the resources used or impacted upon by your activity will also be invoiced to you.
